DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 4, 5, 7-9, 11, 13, 14, and 16-20 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or make obvious the step of or means for **"said constellation of symbol levels is determined by identifying the probability density function for each of different known training symbol level"**, when such constellation is considered within the specific structure of the method recited in claims 1, 9, 11, and 19. The prior art of record fails to teach or make obvious the step of or means for **"said network impairment includes said network preempting at least significant bit used to encode symbol levels during different phases of network frames"**, when such impairment is considered within the specific structure of the method recited in claim 5.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
